Village of Bannockburn
Rain Barrel Reimbursement Form

The Rain Barrel Reimbursement Program is designed to help reduce the storm water runoff after heavy rain storms throughout the Village and to help promote conservation of rain water to help reduce water consumption and roof runoff.

Rain barrels are a cost-effective alternative to using potable water for watering yards and gardens. Rain barrels function by collecting roof runoff from gutters and downspouts and by storing the water for future use. In addition to water conservation, rain barrels help reduce storm water runoff to streams and storm sewer systems, and reduces peak water demand during summer months.

The Village of Bannockburn Rain Barrel Reimbursement Program encourages residents to purchase rain barrels from the Solid Waste Agency of Lake County to be used during lawn and garden watering activities, as well as other household projects. Residents who wish to participate in the program should be aware of the following program parameters:

1. Program dollars are distributed as a reimbursement to residents after the confirmed purchase of a rain barrel from the Solid Waste Agency of Lake County; and

2. A paid receipt with the attached form must be submitted to the Village showing proof of purchase prior to reimbursement; and

3. A photo of the installation of the rain barrel(s) with the attached form must be submitted to the Village showing proof of installation prior to reimbursement; and

4. The amount of reimbursement for a rain barrel is 100% of the purchase price provided it is purchased from the Solid Waste Agency of Lake County, excluding sales tax, delivery, and any accessories (maximum of 2 per year); and

5. Each residential household may only participate in the program twice; and

6. Disclaimer: The Village of Bannockburn assumes no liability for the installation, maintenance or use of your rain barrel. We are not responsible for any rain barrel malfunction, property damage or injury associated with your rain barrel malfunction, property damage or injury associated with your rain barrel, its accessories or contents; and

7. Questions? Contact the Village of Bannockburn at (847) 945-6080.
