Newport Coffee Shop – Under New Ownership
Lotta Bengtsson was born in Sweden and will be giving Newport Coffee House a refresh and add something very special to the community. Being from Sweden it’s no surprise that she has a passion for coffee. Swedes are known for their coffee consumption and they rank among the highest coffee consumers per capita worldwide. Fika is a Swedish term that means “to have coffee” often with a small baked good – but it is so much more…it signifies a lifestyle. Specialty coffee was still in its infancy when Lotta started her first coffee shop in Stockholm. Recent developments have transformed the global craft coffee movement, but she believes there is still more innovation to come.

As the new owner of Newport Coffee House, Lotta has a legacy to uphold. Newport has earned a highly respected reputation for roasting and serving specialty coffee. She hopes to continue Newport’s legacy while implementing inspirations from around the world, and perhaps, including a few Swedish touches. Stop by and welcome Lotta to Bannockburn.

Heinen’s Burger Bash

REMINDER - Garbage Amnesty Day is Monday, June 4th
My word for the year is “shed”. After living in our home for almost 40 years, Patty and I have accumulated lots of stuff in our basement, garage and garden shed. I need to trash, recycle or donate lots of these items. Now is a great time to...
clean out your basement and garage. Those pieces of furniture and household items that you have been hanging on to for many years can now go out to the curb. No paint, gasoline or solvents. No tires, dirt or large landscape materials.

**Greenleaf Gallery – a cottage in the woods of Bannockburn.**
For the past 25 years Pat Odlaug, and now her daughter Erika, has operated a gallery at 1760 Sunset Lane. They represent over 100 artists, many of which are women, and live locally. They sell a wide variety of fine art, folk art, jewelry, tabletop, women’s accessories, garden and gifts and cards for the holidays. 90% are made in the USA. The cottage is staffed Monday thru Saturday from 10:00 AM – 4:00 PM or by appointment...call 847-948-7689. Greenleaf Gallery does not advertise but has existed for many years by word of mouth and friends bringing friends. Check out their great selections.

Their second business is Two Kisses Weddings and Events. Erika (a Corporate Event Planner) and Pat also do styling and planning for weddings, showers and parties.

**SAVE THE DATE – FREE Concert in the Park**
On Sunday, July 22nd at 3:00 PM the band South of Disorder, a Jimmy Buffett cover band will perform at the Village’s Open Space Shelter (2245 Telegraph Road). This is a great opportunity for you to invite your family and friends out for a FREE event in Bannockburn. Many of the people who are buying our homes that are for sale are coming from our neighboring towns – Deerfield, Northbrook, Highland Park and Riverwoods. This concert is a good way to introduce prospective buyers to what Bannockburn has to offer.

You can invite your friends to bring a lawn chair, pack a cooler and enjoy some Jimmy Buffett in the Bannockburn Open Space. Break out the island attire and join your friends and neighbors.

**Keep yourself informed**
In addition to the newsletter, the Village’s website of www.bannockburn.org, and the Bannockburn Police Department Facebook page, you can stay informed about Village events through a group email that I maintain. Pet Owner Responsibility

Failure to clean up after your dog is deemed a public nuisance by the Village (Ordinance 2004-5, as amended) and is subject to a $75 fine per offense. Please be a thoughtful dog owner and clean up after your pet. Thank you!

Additionally, all dog owners who have not registered their dogs older than four months are in violation of Ordinance 2004-5 and are subject to the penalties and enforcement regulations. Please return the completed application. Applications are available online at: www.bannockburn.org/residents/animals or at the Village Hall. Having your pet registered also helps us locate animals that may get out of their fences because the Village knows exactly what type of dog you have.

Thank You!
Welcome to Bannockburn!

Or perhaps you have lived here for years!

If you are looking for the chance to get to know your neighbors, or that smiling woman you see walking her dog, consider the Bannockburn Garden and Social Arts Club!

It’s a low key, relaxed neighborhood thing. The ladies of the Village get together on THE FIRST WEDNESDAY OF THE MONTH (9:30-11:30 AM) to explore nature, art, beauty, and friendship.

This is NOT your grandmas’ garden club—no hats required and you don’t even have to get your hands dirty…but sometimes we do!

Here are just a few things we have been up to:

Packaging bulbs for the community, making beaded jewelry, painting Kindness Rocks, exploring the Garden Show, wine and cheese tasting, private tour of the Holocaust Museum, lectures on spring planting, bird feeding, Tarot Card readings, lunching…and next month we will be taking a trip downtown for a Chicago Boat Ride and Architectural Tour. All that—and a bit of neighborhood meet, greet and friendship.

It takes a little extra to meet your neighbors, but we have found that it is well worth it, and a lot of fun! We would love for you to join us!

**COMING SOON—Utility Billing Updates**

You likely cannot see it yet, but the Village of Bannockburn is currently working to improve processes and efficiencies with our Utility Billing system. The Village has contracted with BS&A Software to provide a new utility billing platform that will increase efficiencies within the Village, but also provide improvements to the residents’ ability to access and pay their quarterly utility bills. The main improvement for residents include:

- Ability to request and view current and past utility bills on-line or even choose paperless billing.
- Paying utility bills using credit cards from your online account, creating re-occurring payments or utilizing direct debit from your chosen bank account. All paying options will be free to utility billing customers (note that credit card payments are limited to $3,000 per month).

Additionally, the Village will have to switch water reading software shortly after the implementation of the billing software. The new water reading program will provide residents the ability to view hourly water reads, trends of water usage, as well as monitor their own water usage to ensure no water is wasted by leaks in the house. Once the program is closer to implementation, additional information will be provided to all utility users.

Bicyclist Reminder

As the sun and warmth continue to be more of a daily occurrence, this is a friendly reminder from the Bannockburn Police Department that bicyclists must obey the same traffic laws, signs and signals that apply to motorists. PLEASE BE SAFE!
Severe Weather Preparedness

Severe weather could happen at any time, and each year people suffer or are seriously injured by severe weather despite advance warning. Take action by preparing yourself and loved ones for emergencies:

- **Know your risk.** Understand the types of hazardous weather that can affect where you live and work. During active weather, stay alert of the forecast by checking radio, TV, or weather.gov.

- **Take action.** Develop an emergency plan based on your local weather patterns and practice how and where to take shelter before a severe weather event. Post the plan in your home where everyone can see it.

- **Be a Force of Nature.** Once you have taken action, tell your friends, family, school staff and co-workers about how they can prepare, and share the resources you have discovered through social media.

Motorcycle Safety Tips

**Be Visible:** Wear high-visibility clothing to make yourself obvious. Also flash your brake light two or three times before slowing down or stopping.

**Intersections:** Intersections are a common crash site for motorcycles. Make sure to remain free from other car’s blind spots by assuming you are invisible and that other cars have not seen you.

**Passing:** Drivers must remember to give a motorcyclist adequate space when passing. Stay in the designated lanes and do not change lanes quickly.

**Following Distance:** All motorists should allow a minimum 2 second “space cushion” when following another vehicle. In poor weather conditions, allow a four or five-second following distance.

Scott’s Law—move over!

Scott’s Law was passed in 2002 in honor of Scott Gillen of the Chicago Fire Department, who was struck and killed by a drunk driver while assisting at a crash on a busy Chicago expressway. Scott’s Law states: “When approaching a stationary emergency vehicle using visual signals, yield, change to a lane away from the emergency vehicle, and proceed with caution. If a lane change is not possible, reduce speed and proceed with caution”.
