March 9, 2020

Dear President Rothing, Police Commissioner Boyle and Board of Trustees:

On behalf of the members of the Bannockburn Police Department, I am pleased to submit our Annual Report for 2019. This report describes the enforcement actions taken by your police officers, the assisting of and participation in Village of Bannockburn events, and the service areas developed to assist our Village residents.

With our continued efforts to control the crime rate, Bannockburn remains one of the safest communities in Illinois. The department will continue its efforts to increase visible patrolling, especially in the more susceptible crime areas.

Training remains a high priority in the department. The officers continue to be well trained, educated professionals who serve the residents of Bannockburn with pride and integrity. In 2019, the department was able to provide 921 hours of training to our officers.

The department remains committed to implementing programs and ideas that will make us more effective, efficient and accessible to the residents who we serve. Although we are small, our size does not limit our vision to be the best that we can be.

Thank you, President Rothing, Police Commissioner Boyle and Board of Trustees, for your continued support of the Law Enforcement Services in our Village.

Sincerely,

Walter R. Trillhaase
Chief of Police

Chief Ronald Price’s Retirement

On Monday, July 1, 2019, Chief Ronald Price retired from the Bannockburn Police Department after serving for 32 years as an Officer, Lieutenant, and Chief of Police. Ron has a total of 41 years of law enforcement under his belt. He was promoted to the rank of Chief in 2010 and served in that capacity until his retirement. Throughout his career at the Bannockburn Police Department, he played an important role in the DARE program at the Bannockburn School, served as the President on the Executive Board of the Lake County Major Crash Assistance Team (MCAT), was a Chairman for the Wauconda Fire Commission, and served as President of the Wauconda Police Pension Board. On his final day at work, the surrounding police departments gathered at Fire Station 19 to give him his last radio call. Thank you, Ron, for your 32 years of devoted service to the Village of Bannockburn.
Swearing In of Chief Walter Trillhaase

On Monday, June 10, 2019, Walter Trillhaase was sworn in as the new Chief of the Bannockburn Police Department. Walter retired from the Deerfield Police Department as Commander, and comes to the Bannockburn Police Department with 35 years of experience. He was accompanied by his wife Angela, his daughter Kiersten, and his son-in-law Brian.
Swearing In of New Part-Time Officers

In 2019, we had some part-time positions open due to promotions and retirements. In total, 4 new Part-Time officers were sworn in to the Bannockburn Police Department. The individuals were chosen to fill those positions because of their experience, background, and personality.
Officers Recognized by Village Trustees for Departmental Commendations

On September 23, 2019, the Chicago Tribune published an article by Steve Sadin titled “Bannockburn Officers Lauded for Emergency Care.” The article details two instances in which Bannockburn Police Officers responded to emergency situations.

The article describes a well-being check that was performed by Sergeant Dennis Sears and Officer Robert Ogden in May of 2019. The two found an elderly man lying on his floor at home, motionless. They were able to gain entry to the man’s home and requested assistance from paramedics. The two waited for an ambulance with the man, who was barely coherent, and comforted him during the wait.

The author also details an incident in which Officer Michael Volling used an automated external defibrillator (AED) to save a woman who collapsed while exercising at Orangetheory Fitness in July of 2019. Officer Volling is a trained paramedic in addition to his police training.

The officers received Commendations from the Bannockburn Police Department on September 9, 2019.

Bannockburn Police Canine Odin

Officer Dave Lemmer, together with his canine partner Odin, works the midnight shift each night in Bannockburn. Odin is Officer Lemmer’s back up and assists in the daily duties, which include residential security, business and office complex security in the Village of Bannockburn. Odin provides protection for Officer Lemmer and conducts nightly foot patrols at the Bannockburn Green Retail Center.

In January of 2019, the State of Illinois Police Training and Standards Board required that all police canines be certified by authorized instructors. The canines are required to smell 20 different tubes; 4 contain drugs, 4 are empty, and the remaining 12 have anything from food items to dog toys inside. The canines must be able to identify the 4 drug tubes and ignore the rest. Odin attended the first testing offered in this area and was one of the first 6 canines in the State to successfully pass this new certification test.

During September of 2019, two separate people left notes for their families stating intent to commit suicide. One case occurred in a Waukegan forest preserve and the other case in a State Park near Spring Grove. The initial searches by forest preserve officers were fruitless. Local police canines that were trained in cadaver rescue were contacted for assistance. K-9 Odin responded to both cases along with numerous other canines. The bodies of the families’ loved ones were located. These were truly sad events, but the necessary service of returning a loved one back to his/her family provides a degree of closure to their family and friends.

SIGNIFICANT CASES
Home Invasion

On Saturday, January 9, 2019, Officer Michael Vollar responded to a 911 call for an intruder in a private residence. Officers from Deerfield, Riverwoods, Highland Park, and Lake Forest responded to assist. A Deerfield officer observed a young man walking on Telegraph Road near Wilmot Road. The young man was wearing a hoodie and no pants or shoes. The temperature that night was below 20 degrees.

The details of the crime indicated that a young man in a hoodie and no pants or shoes ran from the residence after breaking into the home via a sliding patio door. The female homeowner was beaten in the kitchen by the suspect who had snuck up behind her. The husband was outside the residence and heard a commotion. When he came in, he saw the suspect flee through a side door.

The suspect was immediately apprehended and placed into custody. He was processed and transported to the Depke Juvenile Detention Facility in Vernon Hills, IL. The case was turned over to the Lake County State’s Attorney’s Office.

Retail Theft at Mariano’s Grocery Store

On Monday, April 1, 2019, Officer Walter Trillhaase responded to a delayed theft report at Mariano’s. The loss prevention specialist said that while reviewing store video footage, he noticed two individuals enter the store. As he watched the video, the two could be seen placing over-the-counter medications into a bag and then inside a coat pocket. The pair then exit the store without paying for the medications.

The suspects have since been identified by the Lake Zurich Police Department. The pair had been hitting stores across Cook and Lake County for several weeks in 2019. Officer Trillhaase obtained a felony warrant for the pair based on the security footage. The two suspects have extensive criminal histories for drugs, theft, and assault.

In February of 2020, the case was presented to a Grand Jury and felony retail theft charges were approved.
Distracted Driving/Move Over Targeted Traffic Enforcements

During the month of April 2019, the Bannockburn Police Department took part in National Distracted Driving Awareness Month. This is a Department of Transportation program along with the Illinois State Police. Texting and driving, as well as Scott’s Law violations (move over, slow down when approaching a stopped vehicle displaying flashing emergency lights), were the target of our efforts. On three separate days during April, our officers focused on those violations.
Arbor Day Tree Planting

On Friday, April 26, 2019, Chief Ron Price joined Police Commissioner James Boyle, Assistant to the Village Manager Ryan Mentkowski, and Garden Club President Joanne Burgess in the annual tree planting ceremony. This year, the group planted a Redbud tree in the open space near the playground equipment. The first and second grade classes of the Bannockburn School sang a song about trees and read a poem to celebrate this important ecological event.

Village Wine and Cheese Event

On Friday, June 7, 2019, the annual Village Wine and Cheese event was a big hit with residents. The weather cooperated and everyone had a great time. Special thanks to our friends at Heinen’s.
Bannockburn Day Picnic

On Sunday, September 8, 2019, the Bannockburn Day Picnic was held in the park. As usual, the weather was perfect and many of our residents, friends, and family were there to enjoy this delightful event. Chief Walter Trillhaase, Bannockburn police officers, and several firemen were in attendance and took part in the National Anthem.

Halloween Haunted Trail

On Thursday, October 31, 2019, our officers assisted with the annual Haunted Trail in Bannockburn. The Trinity International University volunteers were a tremendous help and added to the spooky feel of the event. Police Commissioner James Boyle provided some scary music and President Bud Rothing organized the decorations for this wonderful event.
Holiday Hayride

On Saturday, December 21, 2019, the annual Holiday Hay Ride took place at the Village Hall. This year, President Bud Rothing invited a special friend who came all the way from the North Pole to spend some time with the young children. Officer Michael Volling donned the Santa suit and had a great time with the kids. The turnout was great and the horses made several trips around the Village with a wagon full of residents on each pass.
Trinity International University (TIU) Meeting/ Training

On Wednesday, February 13, 2019, Sergeant Dennis Sears and Officer Robert Ogden hosted a training seminar on active shooters at TIU. The 20 individuals who attended the seminar were primarily security and administration officials responsible for campus safety. Sergeant Sears and Officer Ogden did a great job presenting a PowerPoint on active shooter situations. The group was very impressed and learned a lot from the presentation.

NIPAS Luncheon

On Tuesday, May 7, 2019, Chief Ronald Price and Officers Walter Trillhaase and Patricia McConnell attended the Annual NIPAS meeting for the Emergency Services and Mobile Field Force Teams.
Rapid Response Training Session at Bannockburn School

On Friday, December 20, 2019, the Bannockburn Police Department hosted a one-day Rapid Response Training Session at the Bannockburn School. The Bannockburn, Deerfield, and Riverwoods Police Departments participated in this event which included scenario-based training with live participants.
INVOLVEMENT WITH OUR SCHOOLS
DARE 5th Grade Graduation Ceremony

On Wednesday, May 29, 2019, Officer Robert Ogden held the annual 5th Grade Dare Graduation Ceremony for Mrs. Wilson’s class at the Bannockburn School. Police Commissioner James Boyle, Chief Ron Price, Officer Dennis Sears, and Officer Walter Trillhaase attended the ceremony. There were 13 students who graduated from the program this year. For over 20 years, one of our Bannockburn officers has led the DARE program and taught the children very important drug, alcohol, and smoking prevention lessons. This was Officer Ogden’s 9th graduating DARE class.
Lunch with a Cop

This year, the Bannockburn Police Department created a program in partnership with the Bannockburn School called “Lunch with a Cop.” Each month, several officers from the Bannockburn Police Department go to the school for lunch and spend time with the students. The Lunch with a Cop program has also had guest visitors from the Deerfield-Bannockburn Fire Department, Riverwoods Police Department, and Deerfield Police Department.
MidTown Athletic Club Reading

On Saturday, April 6, 2019 Officer Walter Trillhaase was asked to visit MidTown Athletic Club to read to the kids. Officer Trillhaase read “Officer Buckle and Gloria” by Peggy Rathmann. There was plenty of interest in the book, photo opportunities, and parents and teachers wanting to be handcuffed, for fun.
Deerfield 4th of July Parade

On Thursday, July 4, 2019, Police Commissioner James Boyle rode in the annual Deerfield 4th of July parade. The Shannon Rovers were sponsored by the Village of Bannockburn. The group was led by the Bannockburn DARE golf cart. There was a large group of Rovers in the parade, featuring drums and bagpipes. The Shannon Rovers are a pipe band based in Chicago, Illinois. The band plays traditional Irish music almost exclusively. The origins of many of the tunes are lost in antiquity. Centuries ago words were added to many of the melodies and these words provided the names of the tunes as we know them today.

Movie Shoot at Beeson’s

On Saturday, September 21, 2019, Police Commissioner James Boyle and Chief Walter Trillhaase were asked to standby at the Beeson’s property on Half Day Road for the evening while a crew shot a short movie. The clip being filmed was for the producer’s portfolio. The storyline involved zombies and a father looking for his daughter whom he feared had been taken. At the end of the clip he finds her, but she had been infected and ended up killing him by pushing out of the second story window. Because it was filmed at nighttime and there was gunfire involved, Commissioner Boyle and Chief Trillhaase remained for the entire event.
Heroes Night

On Friday, August 23, 2019, Heroes Night in Lincolnshire was a huge success with well over 1,000 attendees. The Bannockburn Police Department raised almost $1,200.00 for the 100 Club, which benefits families of law enforcement officers who are killed in the line of duty. Officer Lemmer and K9 Odin put on a very high-energy K9 demonstration that wowed the crowd. Sciaretta Enterprises graciously donated the food, equipment, and labor for setting up the Bannockburn Police Department tent.
Campus Safety Days at Trinity International University (TIU)

On Monday, September 9, 2019 Officer Robert Ogden and Administrative Assistant Calla Ziemba attended the annual Campus Safety event at TIU. This event features police, fire, and TIU security personnel. They handed out informational materials and talked to the students about safety on campus and in the community. The event was well attended, and many students stopped by the table to speak with Officer Ogden about law enforcement.

Coffee with a Cop

On Wednesday, October 2, 2019, Chief Walter Trillhaase, Sergeant Dennis Sears, and Officer Gary Wrzesinski met with members of the public at Heinen’s Grocery Store for the Coffee with a Cop event.
D.A.S. Charitable Fund Grant

On January 1, 2019, Chief Ron Price received a grant from the D.A.S. Charitable Fund for the Preservation of Feline Animal Life for $6,939.00. This grant helped to cover the care and expenses for K9 Odin. This grant was established by a Libertyville resident to preserve and advance animal life in Lake County. The administrator also supports canine animal life as well, and provides grant money to police K9’s.

Bulletproof Vest Partnership

During 2019, the Bannockburn Police Department purchased several bulletproof vests for officers. Thanks to the Office of Justice Programs and the Bulletproof Vest Partnership, 50% of the costs spent on the protective vests were reimbursed to the department.
Healthcare for K9 Heroes

K9 Odin was awarded the Healthcare for Heroes Grant in January of 2019. This grant provides bullet and stab protective vests to police dogs throughout the United States. In addition to the vests, the grant awards reimbursement to cover illnesses, injuries—including those sustained in the line of duty—diagnostic testing, and therapies for police dogs.

Illinois Public Risk Fund (IPRF) Safety Grant

On Monday, March 11, 2019, the Bannockburn Police Department received a check from IPRF in the amount of $1,590.00 for safety equipment for the Bannockburn Police Department. Each year, we submit a request for this money to spend on items like police radios, Tasers, or other equipment as needed.
INTERGOVERNMENTAL MUTUAL AID
Emergency Management Coordinating Council of Lake County (EMCCLC)

In 2019, Police Commissioner James Boyle served as the interim Vice President Emergency Management Coordinating Council of Lake County. The EMCCLC meets once a month to discuss emergency management strategies and Lake County events. These meetings are attended by various law enforcement and other governmental agencies from Lake County.

Route 22 Traffic Safety Campaign

On Saturday, February 2, 2019, the Bannockburn Police Department, along with police departments from Highland Park to Cary, Illinois, took part in a special traffic safety campaign in conjunction with this year’s Super Bowl weekend. The seven participating agencies stopped a total of 121 violators during the enforcement period. Most notably, 3 arrests were made for DUI, 3 arrests for drug violations, and 4 arrests for suspended, revoked, or no driver’s licenses.
McHenry County Sheriff’s Deputy Jacob Keltner Funeral

On Wednesday, March 13, 2019, Sergeant Dennis Sears and Officer Robert Ogden represented the Bannockburn Police Department at the wake for Deputy Jacob Keltner. Deputy Keltner was shot as he was serving an arrest warrant. Our officers participated in the wake and funeral arrangements that took place in Huntley, IL. There were officers from around the country who gathered to pay respects to the 35-year-old Deputy who was killed in the line of duty.
Illinois State Police Trooper Brooke Jones-Story Funeral

On Wednesday, April 3, 2019, Sergeant Dennis Sears and his son Ryan represented the Bannockburn Police Department at the funeral ceremonies for Illinois State Police Trooper Brooke Jones-Story. The funeral service drew thousands of officers from around the country to pay respects to this fallen officer. Trooper Jones-Story was hit by a semi-truck driver on Route 20 who was later cited for a Scott’s Law violation.
Illinois State Police Trooper Gerald Ellis Funeral

On Friday, April 5, 2019, Sergeant Dennis Sears represented the Bannockburn Police Department at the funeral ceremonies for Illinois State Police Trooper Gerald Ellis. The service was held at the College of Lake County. The funeral service drew thousands of officers from around the country to pay respects to this fallen officer. Trooper Ellis was hit by a wrong-way driver on I-94, just north of Bannockburn. Chief Walter Trillhaase attended the Dedication Ceremony for Trooper Ellis on Wednesday, October 21, 2019 on I-94.
Northern Illinois Police K-9 Memorial

On Thursday, September 26, 2019, Chief Walter Trillhaase, Police Commissioner James Boyle, and Officer Dave Lemmer and his family attended the Northern Illinois Police K-9 Memorial in Grayslake, IL. This annual event recognizes the passing of police dogs who have served the residents of Illinois. There is a memorial statue with stones that feature the names of each K-9 that has passed away.
Understanding the “Crime Index”

The Crime Index is used to indicate the amount and extent of Violent Crimes and Property Crimes, in a given jurisdiction, as defined by the International Association of Chiefs of Police Committee on Uniform Crime Reports (UCR). Police departments throughout the United States report on eight crime areas: four categories of Violent Crimes and four categories of Property Crimes.

**Violent Crimes**
- Murder
- Criminal Sexual Assault
- Robbery
- Aggravated Assault/Battery

**Property Crimes**
- Burglary
- Theft
- Vehicle Theft
- Arson

The Crime Index is the total number of indexed offenses occurring within a given jurisdiction during a specified period of time. In 2019, Bannockburn had a crime index of 39. Below is a list of Lake County communities and their Crime Index.

Crime Index Offenses

Four Year Comparison

The above chart shows a comparison of the indexed crime totals for each year shown. The Bannockburn Police Department will continue to patrol and monitor residential and commercial areas of the Village in our effort to maintain a low crime index number and keep our residents and their property safe. The increase in the crime index is due to a higher number of car burglaries in the fitness club parking lots. The police department continues to partner with local businesses, university personnel and other law enforcement agencies to deter and investigate these crimes.
Calls for Service by Day of Week

For the Year 2019

The above chart breaks down the amount of service calls by day of the week. This year, the busiest day of the week was Wednesday.

2019 Calls for Service and/or Activity

Four Year Comparison

Calls for service and initiated activity includes activity generated by crime complaints, requests for service, officer initiated activity, traffic accidents, alarms, and a myriad of other services provided to our residents and the public. A partial list of these calls is provided starting on the next page.

In 2019, the Bannockburn Police Department responded to or initiated 4,822 calls for service.

Car vs. Deer Accidents
Four Year Comparison

OTHER DEER RELATED INCIDENTS
(Does not include car vs. deer crashes)
Traffic Accident Locations
For the Year 2019

Waukegan Road (IL Route 43) was the number one location for traffic crashes.

Private Property Traffic Accident Locations
For the Year 2019

The Waukegan Road parking lots are the number one location for parking lot crashes.
Enforcement Activity

*In 2011, the Department implemented a Compliance ticket as a way to issue a citation for minor violations. Compliance tickets cover minor infractions such as tinted windows, seat belts, one headlight, etc. Illinois State law has restricted police officers from issuing compliance tickets for moving violations, which now includes unlawful cellphone use. The Village is researching the adoption of a Negligent and Distracted Driving Ordinance.
Traffic Stop Data Collection

The State of Illinois, the Village of Bannockburn and the Bannockburn Police Department expressly prohibits racial profiling and other biased-based policing.

Since 2004, all Law Enforcement Agencies in Illinois are mandated to keep statistical data on every vehicle that is stopped for a traffic violation. The Illinois Department of Transportation is responsible for collecting and compiling the data and results can be found on their website www.dot.il.gov. Regardless of the outcome (verbal warning, written warning or traffic ticket), a “Traffic Stop Data Sheet” is required to be completed. The State mandated program results in extra time officers spend completing a traffic stop and additional time by records personnel to input the data into a special computer program.

An important word to understand when looking at traffic stop data is “benchmark.” A benchmark is terminology used by the Illinois Department of Transportation and Northwestern University to describe the acceptable level of minorities being stopped by a community. In the Village of Bannockburn, a 30.58% benchmark was established by Lake County. Of all the vehicle drivers stopped in 2019 by the Bannockburn Police Department, 28.4% were minorities. The breakdown is as follows:

- Caucasian (71.7%)
- African American (8.0%)
- Hispanic (13.3%)
- Asian (5.6%)
- Hawaiian/Other Pacific Islander (1.5%)

The Department has a pro-active plan to ensure initiatives are in place to prevent racial profiling:

- Anti-Racial profiling policy
- Process for investigating citizen complaints
- Process for investigating officer complaints
- Annual training which includes:
  - Cultural diversity
  - Racial profiling
  - Traffic stop protocols
  - Review of Illinois Supreme Court Decisions
Multi-Jurisdictional Task Forces

Both large and small police departments pull resources and manpower together in an effort to provide their citizens with the best service possible. This cooperation allows for help, when needed, that would otherwise not be affordable by a single agency. The Bannockburn Police Department belongs to, and participates in, the following task forces:

Major Crash Assistance Team (MCAT)

MCAT was established by an Inter-Governmental Agreement in July, 2004. The Agreement reads in part: “In recognition of the fact the efficient investigation of serious traffic crashes is enhanced when agencies have access to the resources and support of other agencies. Further, it is recognized that a primary goal in the investigation of serious traffic crashes is to establish an accurate record of the factors and conditions leading up to the traffic crash.” Chief Ron Price served as President on the Executive Board of MCAT. There are 29 contributing agencies and 6 non-contributing agencies involved in MCAT. In 2019, the team handled 40 major crashes in Lake County.
Lake County Major Crime Task Force (LCMCTF)

During the calendar year of 2019, Officer Robert Ogden worked as an Evidence Technician with the Lake County Major Crime Task Force, and assisted the following Lake County Illinois Police Departments with their cases.

Northern Illinois Police Alarm System (NIPAS)

NIPAS was established by an Inter-Governmental Service Agreement in 1983. The specific intent of this agreement is to permit the police departments of each community to more fully safeguard the lives, persons, and property of all citizens. The NIPAS Car Plan and Emergency Services Team (EST) is the largest multi-agency SWAT Team in the Country. The team consists of 100 police officers that can handle any tactical situation or high-risk incident. Officer Patricia McConnell, a NIPAS Hostage Negotiator, assisted the following Northern Illinois Police Departments with the following cases.

Illinois Law Enforcement Alarm System (ILEAS)

ILEAS was established by an Inter-Governmental Agreement in January of 2003. ILEAS is a product of the Illinois Terrorism Task Force of the Illinois Association of Chiefs of Police and is intended to provide a mutual aid system for all law enforcement agencies operating within Illinois. ILEAS is designed to provide law enforcement assistance to communities during any emergency condition and is not limited to acts of terrorism. ILEAS was modeled after the Northern Illinois Police Alarm Service (NIPAS), except that ILEAS applies to all Illinois Law Enforcement Agencies (local, county, state, federal, university, and railroad). NIPAS is limited to local municipal law enforcement agencies.

Lake County Metropolitan Enforcement Group (LCMEG)

The Illinois Intergovernmental Drug Laws Enforcement Act authorizes the establishment of Metropolitan Enforcement Groups to promote cooperation and increase efficiency in the enforcement of drug laws among units of local government. LCMEG helps to keep drugs out of the Village of Bannockburn. The group also makes the following services available to member agencies:

- Drug training
- Drug presentations
- Free drug testing kits for parents
- Equipment (undercover vehicles)
- Drug arrest assistance
Northeastern Illinois Regional Crime Laboratory (NIRCL)

Membership with the NIRCL was established in May of 1987 by an Inter-Governmental Agreement. The agreement was updated in 2007 and the crime lab moved from Highland Park to Vernon Hills. The crime lab performs numerous services for the Bannockburn Police Department:

- Process fingerprints
- Process DUI kits
- Chemistry tests to establish drug identification
- Destroy firearms and drugs
- Handwriting analysis and comparison
- Assist at crime scenes

East Shore Radio Network (ESRN)

The ESRN was established by an Inter-Governmental Service Agreement in September of 1971. Members of the network include Bannockburn, Deerfield, Highland Park, Lake Forest, Riverwoods, Highwood, Lake Bluff and Lincolnshire. These communities share the same police radio frequency. The governing board consists of the Chief of Police from each member department. The network provides purchase efficiency for radio, telephone, and computer equipment.
