Dear President Rothing, Police Commissioner Boyle, and Board of Trustees:

On behalf of the members of the Bannockburn Police Department, I am pleased to submit our 2021 Annual Report. This report describes the accomplishments of our police officers including their deterrence and enforcement actions, involvement in Village of Bannockburn events, and services developed to assist our Village residents.

The year 2021, like 2020, was a year of challenges. While all countries faced the twin threats of the worst pandemic the world has seen in more than a century and sharp economic downturns, the impact of these threats was felt by the Village of Bannockburn Police Department and actions were taken to manage through the challenges with grace and courage.

During this challenging time, the Village Board and the Village residents continued to support their police department and its officers. Realizing the importance of resident safety, the Village Board continued to support training initiatives and provide budgeted funds to purchase necessary equipment to help them serve the community.

Training remains a high priority in the department. While some in-person training was cancelled due to the pandemic, the department continued its outdoor firearms training and increased its online training to stay current with laws and proper police procedures.

The department remains committed to implementing programs and ideas which will make us more effective, efficient, and accessible to the residents we serve. Although we are small, our size does not limit our vision to be the best we can be.

Thank you, President Rothing, Police Commissioner Boyle, Trustees, and residents of Bannockburn for your continued support. We couldn’t do it without you.

Sincerely,

Walter R. Trillhaase
Chief of Police

Officer Edward Panko
Ed was sworn in as a part-time police officer on September 30, 2021. Ed lives with his wife in Woodridge. Both of their sons are police officers in the Chicagoland area. Ed has more than 30 years of law enforcement experience, including 17 years as a supervisor. He is a retired commander from the Morton Grove Police Department. Ed is a graduate of Northwestern’s Staff and Command School and is currently employed as a part-time officer with the Golf Police Department.

Ed comes to us with a wealth of knowledge and training, which will be a tremendous benefit to the police department, the Village and the residents of Bannockburn.

Officer Michael Cierniak
Mike was sworn in as a part-time officer on Friday, November 12, 2021. Mike graduated from Western Illinois University with a Bachelor’s degree in Management and Psychology and went on to earn his Master’s degree in Psychology from Roosevelt University. Mike has over 30 years of law enforcement experience. He started his career with the Morton Grove Police Department. After two years there, he went on to the Drug Enforcement Administration where he later retired with 30 years of service. He currently works part-time as an officer with the Highwood, Prospect Heights, and Golf Police Departments. He enjoys the outdoors, physical fitness, and Jiu Jitsu.
Russell Kenneth Williams (Ken)
In 2004, Ken started working part-time as a records clerk for the Bannockburn Police Department. From 1972 to 2002 Ken worked in public service as an architect for projects with Illinois Department of Transportation, the Tollway Authority and the Cook County Forest Preserve. Ken also did work in interstate commercial projects for the pharmaceutical industry. After retiring, Ken refocused personal development activity with a concentrations as a ceramic artist with the Clayworkers Guild of Illinois and international travel. Ken lives with his wife, Jeannie, in Huntley, Illinois.
Awards
On September 13, 2021, the Bannockburn Police Department was presented with the Illinois Law Enforcement Accreditation Program Award. During the Village Board Meeting at the Village Hall, Downers Grove Chief of Police Shanon Gillette awarded Bannockburn Police Chief Walter Trillhaase with the ILEAP plaque symbolizing the department’s accreditation status. The accreditation process is a voluntary program which adopts the best practices and policies in policing. The most rigorous component of the process is the independent critique, examination, and inspection by outside police professionals. These trained professional auditors inspect and test the agency’s compliance for adherence to 67 professional standards. At the conclusion of the on-site inspection, a report is drafted and forwarded to the ILEAP Council for consideration. We are proud to hold our officers, supervisors, and the entire Police Department to the highest standards set by the Illinois Association of Chiefs of Police. We believe the citizens of Bannockburn deserve the best police department possible. This award is an indication of our commitment to excellence.
2021 K9 Dex Memorial Award

This year, the Bannockburn Police Department awarded the annual K9 Dex Memorial Award to Officer William Annen for his continued dedication to the law enforcement profession. Bill retired as a Commander with the Deerfield Police Department before joining us in 2020. He is still enthusiastic about the job and remains very active in patrol. He has done a great job in following up on criminal offenses leading to numerous felony charges for retail theft offenders. In addition to his patrol responsibilities, Bill has taken on the responsibilities of the Accreditation Manager. This year the Police Department was awarded the Illinois Law Enforcement Accreditation Program Award due to his hard work and attention to detail. Bill has also worked hard in revamping the Field Training Program which is a key part of hiring and retaining great police officers. Officer Annen maintains a passion for the law enforcement profession and service to the Bannockburn Community.
Significant Cases
21-0155 Retail Theft at Mariano’s
On January 11, 2021, at approximately 2:23PM, Officer Bill Annen was on foot patrol when he was approached by Mariano’s Loss Prevention Officer Palacios. LP Officer Palacios said he was reviewing recordings from the previous day and found some footage showing a previous suspect, Caitlin Wood, stealing almost $1,000 worth of liquor. Officer Annen sent in a request to the Lake County State’s Attorney’s Office for a warrant for Wood. She has been subsequently charged by other agencies for retail theft.

21-0543 Residential Burglary on Thornapple Lane
On February 1, 2021, Lieutenant Vølling and Officer Weshinskey were dispatched to Thornapple Lane in reference to a report of a residential-ruse burglary. Upon their arrival, they encountered the suspects leaving in a vehicle. The vehicle was able to go over a snow bank, speed to the tollway and elude the officers. The offenders had distracted the male homeowner by asking him to go outside to the backyard. The second suspect entered the home and began to search for valuables. The female resident confronted the burglar. He communicated with his partner via portable radios and they both fled in their vehicle. Fortunately, the only item taken was a necklace with sentimental value. Officers from other agencies are following up on this and similar cases.
21-3215 Child Neglect at Trinity University
On June 5, 2021, while on patrol, Officer Fuerst noticed a 6-year-old and a 2-year-old boy playing in the parking lot by themselves. He approached the children who did not know where their parents were. With their help, Officer Fuerst located the mother inside their apartment. She stated she had left them unattended for a short period of time to do something inside. Officer Fuerst contacted The Division of Children and Family Services for them to follow up with the family.

21-3376 Motor Vehicle Theft on Broadley’s Court
On June 13, 2021, Officer Fuerst responded to a residence on Broadley’s Court for the report of a stolen vehicle. Upon his arrival, he learned the resident’s 2016 White, Ranger Rover was stolen from his driveway. The resident had left his keys inside the unlocked vehicle. An unknown person entered the vehicle and drove away with it. It was later reported to have been in the City of Chicago. We then learned it was posted for sale on the internet. We contacted The Secretary of State Police (SOS) who were very interested in following up. On June 29th, two gentlemen from Indiana came to the Bannockburn Police Department. They reported they saw the advertisement on the internet and purchased the vehicle in Dalton, IL for $20,000 cash. They learned it was a stolen car when they went to the SOS to retitle and register it. The gentlemen were advised to contact the Dalton Police Department for follow-up on their fraud case. Our resident and their insurance company were notified of the updates on this case and will proceed accordingly.
**22-5576 Fleeing and Eluding**

On September 4, 2021 at 2:28PM, Sergeant Sears stopped a vehicle for a traffic violation. The driver got out of the car and ran from Sergeant Sears. Sergeant Sears chased after the suspect, later identified as Ruben Moncivaiz, who circled around, returned to his vehicle, and drove away, losing Sergeant Sears. A thorough investigation by Sergeant Sears led to the identification of the driver and the discovery of drugs the driver had tossed. His police work led to a charge of Felony Driving while Revoked. Additional drug charges are pending lab results. Less than a week later the same suspect was arrested in Deerfield for similar charges.

**21- 7708 Aggravated Domestic Battery**

On December 11, 2021, Lieutenant VOLLING and Officer Appelt were dispatched to the LaQuinta hotel in reference to a woman screaming for help. Upon their arrival, they located the room and heard the screams for help. Officers eventually gained access to the room and arrested Alejandro Elvira for Felony Aggravated Domestic Battery and Domestic Battery. He was arrested, processed, and transported to the Lake County Court for a bond hearing the next morning.

**21-7261 Residential Burglary on Broadley’s Court**

On November 18, 2021 at 5:34PM, officers were dispatched to a residence on Broadley’s Court for a burglar alarm. Officers had performed a premise exam approximately one hour prior because the homeowners were on vacation. Upon the officer’s arrival, he found a broken window and evidence that offenders had entered the home. Video shows the offenders smashing the rear window, entering the home, stealing high-value jewelry and cash, and exiting the home in less than 5 minutes. It is believed they are the same suspects who have been targeting the area, including residences in Lake Forest.
Driving Under the Influence Arrests
21-1534 Driving Under the Influence

On March 31, 2021 at approximately 3:30PM, Sergeant Sears and Officer Annen were dispatched to a report of a possible intoxicated driver traveling eastbound on Half Day Road from Lincolnshire. Officers subsequently stopped the driver on Waukegan Road. The driver appeared to be intoxicated, had an open container of beer in his car, and refused any field sobriety tests. He was placed under arrest and transported to the Deerfield Police Department where he refused to submit to a breath test. Due to two prior DUI offenses, the State’s Attorney’s Office was called and felony charges were approved.

21-5100 Driving Under the Influence

On August 14, 2021 at approximately 11:43PM, Sergeant Sears was on a traffic stop in the eastbound lanes of Half Day Road when he heard car horns blaring and noticed a vehicle traveling westbound in the eastbound lanes of traffic coming toward him. He returned to his squad car and proceeded to stop the wrong-way driver, Andjelko Arandjelovic, who was suspected of DUI. He failed the field sobriety tests and was placed under arrest before he was transported to the Deerfield Police Department where his breath alcohol was tested with a .093 result. He was ticketed for improper lane usage, DUI, and DUI over the legal limit. He was processed and released.

21-6193 Driving Under the Influence - Drugs

On September 27, 2021 at approximately 2:23AM, Officer Davies was on patrol and located a crash scene on Half Day Road near Trinity University. He discovered the vehicle had been traveling westbound, left the roadway, and struck the Bannockburn Population Sign. Officer Davies and Officer Fuerst investigated. They found the driver, Ricardo Vera Jr., passed out behind the wheel of the vehicle. Once he woke up and no injuries were found, Officer Fuerst administered field sobriety tests. Ricardo was determined to be under the influence of alcohol and/or drugs. He was placed under arrest, transported to the Deerfield Police Department where he was processed. He was then taken to the Highland Park Hospital for a blood draw. Further charges are pending the results.
22-7024 Driving Under the Influence
On November 6, 2021 at 4:19AM, Lieutenant Volling observed a vehicle traveling at an extremely high rate of speed eastbound on Route 22 near Waukegan Road. He picked up a speed of 82 mph on radar and followed the car eastbound into Highland Park. He was able to stop the vehicle on Route 41 after pacing it at over 100 mph. The driver, Bernard Hayden Shape, was subsequently arrested for speeding, improper lane usage and DUI. He was processed at the Deerfield Police Department and blew .165, twice the legal limit. He was released on bond.

21-7787 Driving Under the Influence
On December 15, 2021 at 1:30PM, officers received a driving complaint of a possible DUI driver eastbound on Route 22 from Lincolnshire. Chief Trillhaase located the vehicle, observed an improper lane usage violation, and stopped the vehicle at the Lake County Dog Park on Waukegan Road. Officers Annen and Czajka arrived to assist. Officer Czajka administered the field sobriety tests, which the driver failed. Tomas Torrez-Fernandez was arrested for DUI, transported to the Deerfield Police Department for processing, and released on bond.

21-7942 Driving Under the Influence
On December 23, 2021 at 3:52AM, Lieutenant Volling stopped a vehicle for several traffic violations. He stopped the vehicle on Route 22, administered field sobriety tests and determined the driver was under the influence of alcohol. Danny Ariel Rivera was arrested for DUI. While being transported to the Deerfield Police Department, he kicked the squad car door until the window shattered and the door bent. He then complained of pain. He was transported to the Highland Park ER where he was so out of control he had to be sedated by medical personnel. Rivera was charged with DUI, DUI-related traffic offenses, battery to a paramedic, criminal damage to property, and possession of cannabis. He was processed at the hospital and given an I-bond. Once he was conscious, he became irate and unruly toward hospital staff.
Bannockburn Day
Arbor Day
Harvest Day
Touch-a-Truck
Event in Deerfield
Bannockburn Green Reels and Wheels

The management of Bannockburn Green Retail Center treated area residents to an outdoor movie night. The theme of the event was “Drive-in”. Attendees remained in their cars as movies were played on an outdoor movie screen. Officer Fuerst attended to interact with residents and provide any assistance if needed.

Holiday Hayride
Training and Conferences
Full-Time Officer Department Training

On January 27, 2021, all of the full-time officers participated in the annual one-day firearms qualifications and training day at the Highland Park Range. Jennifer Cifaldi, Illinois Traffic Safety Resource Prosecutor, presented a 2-hour class on the new DUI/Cannabis laws via Zoom. Additionally, a Department meeting was held by Village Manager Stephanie Hannon and Chief Trillhaase.

Part-Time Officer Department Training

On February 17, 2021, most of the part-time officers spent the day at the Highland Park Range and Training Center for firearms qualifications, OC/Pepper Spray certification, Taser certification, Use of Force training, AED/CPR certification, and a Department meeting hosted by Chief Trillhaase.
Bristol Range Training

On August 27th and November 11th officers participated in firearms training at the outdoor range in Bristol, WI. The training included an introduction to the new ballistic shields that were recently purchased and stored in each of the marked squad cars. Officers practiced shooting from the squad car, tactically removing the AR-15 from the secure rack in the squad car, and nighttime shooting.
Please be advised that on Friday, July 30th, 2021, the Bannockburn Police Department will be hosting a Police and Fire training event at Bannockburn School from 7:00 AM—3:00 PM. There will be several police and fire vehicles from Deerfield and Riverwoods PD’s, Deerfield-Bannockburn and Lincolnshire-Riverwoods FD’s, parked in and around the school for the entire day. There will be signs posted and there will be no entry allowed for non-authorized personnel.

If you have any questions or concerns please direct them to Training Sergeant Dennis Sears at dsears@villageofbannockburn.org or 847-945-8490.
**Illinois Tactical Officers Conference**

Sergeant Sears attended the 2021 Illinois Tactical Officers Association Conference which featured a variety of law enforcement-related vendors and speakers. Sergeant Sears attended several of the presentations and brought updated, useful information and knowledge back to the Department to share with other officers.

**Forensic Conference**

Officer Ogden attended a regional forensic conference in Naperville, IL. There were numerous vendors and speakers throughout the conference with information about documenting and processing crime scenes. Officer Ogden attended several of the lectures to gain information to use at the Department, as well as, the Lake County Major Crime Taskforce.
Bannockburn School Involvement
Sergeant Sears and Officer Ogden teaching students about internet safety
5th Grade DARE Program

In 2021, Officer Ogden was able to personally meet Mrs. Wilson’s 5th grade class. Officer Ogden taught them the curriculum of the Drug Abuse Resistance Education model and impart information about the importance of refraining from illegal drug use, tobacco, and alcohol consumption.
Lunch with a Cop

This year, the Bannockburn Police Department continued the “Lunch with a Cop” program created in partnership with the Bannockburn School. Each month, several officers from the Bannockburn Police Department go to the school for lunch to spend time with the students.
Bannockburn School Fall Social
Community Involvement
Did you know the Village of Bannockburn Police Department and Save A Star Drug Awareness Foundation have established a drug disposal and collection program? The purpose of this program is to collect and safely dispose of unwanted and unused medications, thus keeping them out of the hands of individuals who might otherwise become victims of prescription drug abuse.

The Save A Star Drug Awareness Foundation was founded in Highland Park by David and Gail Katz and their daughter, Melissa Katz Gold, following the death of David and Gail’s 25-year-old son, Daniel, from a prescription drug overdose in June 2007. The Save a Star Drug Awareness Foundation was created to educate the public about the dangers and consequences of prescription drug abuse and addiction and to provide tangible methods to remove unwanted and unused medications from America’s homes.

The Village of Bannockburn teamed up with the US Marines in their Toys for Tots initiative to help provide toys to children whose parents cannot afford to buy them Christmas presents.
Story Day at Midtown Athletic Club
Illinois Special Olympics Truck Convoy Fundraiser
Drug Take Back Day with the DEA and Walgreens
Community – The Anti-Drug (CTAD)

Community – The Anti-Drug (CTAD) is a community organization comprised of parents, local government, school officials, clergy, and healthcare providers. The mission of this coalition is to reduce the use of alcohol, marijuana, and other drugs among youth in Bannockburn, Deerfield, Highland Park, Highwood, and Riverwoods.

The Bannockburn Police Department provided several Bannockburn restaurants with flyers from CTAD to include in their take-out meals. These flyers had activities for families to do together while staying at home and enjoying their meals.
Traffic Investigations
The featured pictures are representative of the traffic investigations officers deal with day to day.
**Forensic Phlebotomy**

Sergeant Dennis Sears applied for and received an $8,000.00 grant to assist in the funding of our Forensic Phlebotomy Program. Sergeant Sears has become one of the few Forensic Phlebotomists in the State. This skill enables him to draw blood from consenting drivers arrested for DUI. He will also make himself available to assist other area agencies requesting Forensic Phlebotomy Services.

**Private Donation**

A local resident made a substantial financial donation to the Department. The money was used to purchase giveaway items such as keychains, rubber ducks, cups, and pens to help create a stronger bond between officers and the public.

**IDOT Traffic Safety Grant**

For the IDOT Traffic Grant covering October 2020 through September 2021, the Department generated the following:

- Hours worked: 135.5
- Citations issued: 213
- Written Warnings issued: 29
- Total Number of Traffic Stops: 226
- Total reimbursed to Village: $10,750.07

In the course of conducting the program, officers made arrests for Fleeing & Eluding, Revoked Driver’s License, and Suspended Driver’s License.

**IPRF Grant**

Over the last two years, the Department has purchased four Ballistic Shields. These shields will help protect officers and citizens, if needed, during an active shooter situation.
Digital Speed Display Board

The digital speed display board was purchased with a donation from a Bannockburn resident. This tool has been deployed throughout the Village reminding drivers to watch their speed and mind the speed limit.
Intergovernmental Mutual Aid
Emergency Management Coordinating Council of Lake County

2021 was another year of Covid awareness. The Emergency Management Coordinating Council of Lake County met virtually once a month for approximately one hour to discuss Covid-related issues. We were informed on which supplies and types of disbursements and mass inoculations and testing facilities were available to townships. If it weren't for the volunteers who stepped up to make this all possible, tracking all the residents who were infected and their outcomes, training classes would only be done virtually and minimally.

The Village’s Emergency Operations Plan (EOP) was officially approved by Lake County Emergency Management Agency (EMA). Additionally, at the conclusion of the year, I was re-elected for another year as Vice President.

2021 Statistics
Understanding the “Crime Index”

The Crime Index is used to indicate the amount and extent of Violent Crimes and Property Crimes, in a given jurisdiction, as defined by the International Association of Chiefs of Police Committee on Uniform Crime Reports (UCR). Police departments throughout the United States report on eight crime areas: four categories of Violent Crimes and four categories of Property Crimes.

**Violent Crimes**  
Murder  
Criminal Sexual Assault  
Robbery  
Aggravated Assault/Battery

**Property Crimes**  
Burglary  
Theft  
Vehicle Theft  
Arson

The Crime Index is the total number of indexed offenses occurring within a given jurisdiction during a specified period of time. In 2020 and 2021, Bannockburn had a crime index of 27.

Crime Index Offenses

Four Year Comparison

The above chart shows a comparison of the indexed crime totals for the past four years. The Bannockburn Police Department will continue to patrol and monitor residential and commercial areas of the Village in our effort to maintain a low crime index number and keep our residents and their property safe.
2021 Calls for Service and Activity

Four Year Comparison

Calls for service and initiated activity includes activity generated by crime complaints, requests for service, officer-initiated activity, traffic accidents, alarms, and a variety of other services provided to our residents and the public. A partial list of these calls is provided starting on the next page.

In 2021, the Bannockburn Police Department responded to, or initiated, 5,859 calls for service.

**Other Activity:**

- 8 intoxicated drivers were arrested and charged with DUI.
- Child Safety Technicians installed or inspected 3 child safety seats at the Bannockburn Police Department in 2021.
Traffic Crashes

The above chart shows the total number of traffic accidents handled by the Bannockburn Police Department for the past four years. On the following pages, these accidents are broken down into five areas of occurrence: Property Damage (on Village Roadways), Private Property (includes parking lots), Personal Injury and Fatal crashes.

Traffic Accident Locations

For the Year 2021

Half Day Road (IL Route 22) at Waukegan Road (IL Route 43) was the number one location for traffic crashes.

Private Property Traffic Accident Locations

For the Year 2021

Waukegan Rd. parking lots - Not BGRC  ▪  BGRC ▪  Lakeside Dr. ▪  Side Streets
In 2011, the Department implemented a Compliance ticket as a way to issue a citation for minor violations often dismissed by a judge in court or, because of the high fine associated with the charge, an officer would not issue a ticket. Compliance tickets cover minor infractions such as a tinted driver’s window, seat belt violations, equipment violations, cell phone use while driving, etc.

The officers may issue written or verbal warnings for minor infractions such as failure to use a turn signal or other less serious violations.
Traffic Stop Data Collection

The Bannockburn Police Department expressly prohibits racial profiling and other biased-based policing.

Since 2004, all law enforcement agencies in Illinois are mandated to keep statistical data on every vehicle that is stopped for a traffic violation. The Illinois Department of Transportation is responsible for collecting and compiling the data and results can be found on their website (www.dot.il.gov). Regardless of the outcome (verbal warning, written warning or traffic ticket), a “Traffic Stop Data Sheet” is required to be completed. The state-mandated program resulted in extra time officers spent completing a traffic stop and additional time by records personnel inputting data into a special computer program.

An important word to understand when looking at traffic stop data is “benchmark.” A benchmark is terminology used by the Illinois Department of Transportation and Northwestern University to describe the acceptable level of minorities being stopped by a community.

This data is collected and reported annually to and available through the Illinois Department of Transportation.
Lake County Chiefs of Police

Chief Trillhaase is sworn in as Treasurer of the Lake County Chiefs of Police Association.

Multi-Jurisdictional Task Forces

Both large and small police departments pool resources and manpower together in an effort to provide their citizens with the best service possible. This cooperation allows for help, when needed, that would otherwise not be affordable by a single agency. The Bannockburn Police Department belongs to, and participates in, the following task forces:

- Major Crash Assistance Team (MCAT)
- Lake County Major Crime Task Force (LCMCTF)
- Northern Illinois Police Alarm System Emergency Services Team (NIPAS EST)
- NIPAS Mobile Field Force
- Illinois Law Enforcement Alarm System (ILEAS)
- Lake County Metropolitan Enforcement Group (LCMEG)
- Northeastern Illinois Regional Crime Laboratory (NIRCL)
- The Deerfield Consolidated Dispatch Center
Major Crash Assistance Team (MCAT)

MCAT was established by an Inter-Governmental Agreement in July, 2004. The agreement reads in part: “In recognition of the fact that the efficient investigation of serious traffic crashes is enhanced when agencies have access to the resources and support of other agencies. Further, it is recognized that a primary goal in the investigation of serious traffic crashes is to establish an accurate record of the factors and conditions leading up to the traffic crash.” There are 29 contributing agencies and 6 non-contributing agencies involved in MCAT. The Bannockburn Police Department did not have a representative assigned to MCAT in 2021.
Lake County Major Crime Task Force (LCMCTF)

During the calendar year of 2021, Officer Robert Ogden worked as an Evidence Technician with the Lake County Major Crime Task Force, and assisted the following Lake County Illinois Police Departments with their cases.

Northern Illinois Police Alarm System (NIPAS)

NIPAS was established by an Inter-Governmental Service Agreement in 1983. The specific intent of this agreement is to permit the police departments of each community to more fully safeguard the lives, persons, and property of all citizens. The NIPAS Car Plan and Emergency Services Team (EST) is the largest multiagency SWAT Team in the country. The team consists of more than 100 police officers who can handle any tactical situation or high-risk incident. Officer Jeff Devroy, NIPAS Hostage Negotiator, assisted the following Northern Illinois Police Departments with the following cases.

Mobile Field Force

The Mobile Field Force is designed to provide rapid, organized and disciplined response to civil disorder, crowd control, and other situations. Mobile Field Forces are formally structured teams based on a platoon of law enforcement officers from multiple agencies with an assigned leader. Tactics used are based on small squad tactics developed by the Office of Domestic Preparedness, as well as, the more traditional Mobile Field Force and general police patrol tactics.

Chief Trillhaase and Officer Frank Czajka, Mobile Field Force Officer, attended the annual Northern Illinois Police Alarm System (NIPAS) annual awards luncheon.
**Illinois Law Enforcement Alarm System (ILEAS)**

ILEAS was established by an Inter-Governmental Agreement in January of 2003. ILEAS is a product of the Illinois Terrorism Task Force of the Illinois Association of Chiefs of Police and is intended to provide a mutual aid system for all law enforcement agencies operating within Illinois. ILEAS is designed to provide law enforcement assistance to communities during any emergency condition and is not limited to acts of terrorism. ILEAS was modeled after NIPAS, except that ILEAS applies to all Illinois Law Enforcement Agencies (county, state, federal, university, and railroad). NIPAS is limited to local municipal law enforcement agencies.

---

**Lake County Metropolitan Enforcement Group (LCMEG)**

The Illinois Intergovernmental Drug Laws Enforcement Act authorizes the establishment of Metropolitan Enforcement Groups to promote cooperation and increase efficiency in the enforcement of drug laws among units of local government. LCMEG helps to keep drugs out of the Village of Bannockburn. The group also makes the following services available to member agencies:

- Drug training
- Drug presentations
- Free drug testing kits for parents
- Equipment (undercover vehicles)
- Drug arrest assistance
Northeastern Illinois Regional Crime Laboratory (NIRCL)
Membership with the NIRCL was established in May of 1987 by an Inter-Governmental Agreement. The agreement was updated in 2007 and the crime lab moved from Highland Park to Vernon Hills. The crime lab performs numerous services for the Bannockburn Police Department:

- Fingerprints processing
- DUI kit processing
- Chemistry tests to establish drug identification
- Destruction of firearms and drugs
- Handwriting analysis and comparison
- Crime scene assistance

The Deerfield Consolidated Dispatch Center
The Deerfield Consolidated Dispatch Center is located in the Deerfield Police Department and its members include the Deerfield Police Department, the Bannockburn Police Department, the Riverwoods Police Department, and the Lincolnshire Police Department. All of the listed agencies share the same radio frequency and assist each other when needed for emergencies or calls for service. It is an excellent team of agencies working together to serve their communities.
