Dear President Rothing, Police Commissioner Boyle and Board of Trustees:

On behalf of the members of the Bannockburn Police Department, I am pleased to submit our 2022 Annual Report. This report describes the accomplishments of our police officers including their deterrence and enforcement actions, involvement in Village of Bannockburn events and services developed to assist our Village residents.

While our great County continues to manage many challenges including the residual impact of the pandemic and a sharp economic downturn, the fallout of these burdens have been felt by the Village of Bannockburn Police Department; however, actions continue to be taken to manage these obstacles with grace and courage.

The Village Board, Staff and the Village residents continued to support their police department and its officers. Realizing the importance of resident safety, the Village Board continued to support training initiatives and provided budgeted funds to purchase necessary equipment to help them serve the community.

Training remains a high priority in the department. Staying current with laws and proper police procedures is challenging to say the least and continues to be of utmost importance. Following and understanding the ever-changing requirements of the SAFE-T Act has been laborious—once you think you have it figured out, it is altered due to trailer bills or rulings from the courts.

The department remains committed to implementing programs and ideas which will make us more effective, efficient and accessible to the residents we serve. Although we are small, our size does not limit our vision to be the best.

Thank you President Rothing, Police Commissioner Boyle, Trustees and residents of Bannockburn for your continued support. It is a pleasure and an honor to serve you.

Sincerely,

Walter R. Trillhaase
Chief of Police
Village President
Frank “Bud” Rothing

Village Trustees
James Boyle
Louise Feeney

Deerfield PD Officer
Retired December 2022

Officer Edward Panko
Morton Grove PD Commander (Retired)
Recently promoted to Full-Time
33 Years of Service

Officer Iain McCowan
Deerfield PD (Retired)
36 Years of Service
Russell Kenneth Williams (Ken)
In 2004, Ken started working part-time as a records clerk for the Bannockburn Police Department. From 1972 to 2002, Ken worked in public service as an architect for projects with Illinois Department of Transportation, The Tollway Authority and the Cook County Forest Preserve. Ken worked interstate commercial projects for the pharmaceutical industry and One Home for a Friend in Deerfield. After retiring, Ken refocused on personal development activity with a concentration as a ceramic artist with the Clayworkers Guild of Illinois and international travel. Ken lives with his wife, Jeannie, in Huntley, Illinois.

In January, Ken retired from the Bannockburn Police Department to spend more time with his family. Ken will be missed by everyone.
On September 13, 2021, the Bannockburn Police Department was presented with the Illinois Law Enforcement Accreditation Program Award. During the Village Board Meeting at the Village Hall, Downers Grove Chief of Police Shanon Gillette, awarded Bannockburn Police Chief Walter R. Trillhaase with the ILEAP plaque symbolizing the department’s accreditation status. The accreditation process is a voluntary program which adopts the best practices and policies in policing. The most rigorous component of the process is the independent critique, examination and inspection by outside police professionals. These trained professionals audit, inspect and test the agency’s compliance for adherence to 67 professional standards. At the conclusion of the on-site inspection, a report is drafted and forwarded to the ILEAP Council for consideration. We are proud to hold our officers, supervisors and the entire Police Department to the highest standards set by the Illinois Association of Chiefs of Police. We believe the citizens of Bannockburn deserve the best police department possible. This award is an indication of our commitment to excellence.

Accreditation is a journey not a destination. Officer Bill Annen continues the journey of collecting proofs and ensuring that we are following policies and procedures.
2022 K9 Dex Memorial Award

Ken was awarded the 2022 Canine “Dex” Award, an annual award given by the Bannockburn Police Department to recognize one officer or civilian employee for outstanding police service. K-9 Dex served with his handler, Officer Dave Lemmer, from October 25, 2010 - November 21, 2013. K-9 Dex was Officer Lemmer's loyal partner, until he passed away unexpectedly, while he was on duty. To honor K-9 Dex, the Bannockburn Police Department recognizes one employee for outstanding service. This recognition maybe one outstanding act by a department member or continuous outstanding performance.

Ken is the recipient of this award for his many years of dedication to the Bannockburn Police Department. Ken served as part-time Records Clerk for 18 years. Ken survived a lot of changes in personnel and advances in technology. Ken has a work ethic second to none.
22-6237 Burglary to a Storage Trailer @ 2051 Waukegan Rd.

On October 3, 2022, Officer Annen was dispatched the Veterinary Specialty Clinic to investigate a burglary and stolen tools. The complainant reported more than $2,000.00 worth of power tools and equipment had been stolen from a locked trailer.

22-5623 Forgery 2111 Waukegan Rd.

On September 7, 2022, Officers Annen and Duax were dispatched to the Great Lakes Credit Union to investigate a forgery report. A report was completed and through his investigation, Officer Annen identified a suspect. He arranged for a photo line-up and the suspect was identified by the complainant. Officer Annen sent the report to the Lake County State’s Attorney’s office requesting a warrant for the suspect’s arrest.

22-3260 Battery BGRC

On June 7, 2022, Officer Annen was dispatched to the area of McDonald’s regarding a road rage/battery report. The complainant reported that he had gotten into a verbal argument with the driver of another vehicle. The other driver had exited his vehicle and shoved the complainant. Officer Annen investigated, obtained a video from the McDonald’s Restaurant and interviewed the suspect. The suspect was eventually charged with battery, turned himself in, was processed and released pending court.
22-2478 Sexual Assault at LaQuinta

A sexual assault was reported at LaQuinta. Officer Czajka did a very thorough job investigating this case. He worked with the Lake County State’s Attorney’s Office and NCIS. The suspect, witnesses and victim were interviewed and the victim has not followed up with this Department, NCIS or the Lake County State’s Attorney’s Office. The complaint was determined to be unfounded and closed.

22-2943 and 2932 Forgery at Walgreens and Heinen’s

Officer Annen took two back-to-back cases involving the same suspect that went to Walgreens and Heinen’s and made small purchases with fraudulent $100.00 washed bills. A Critical Reach Alert was sent out with negative results.

22-2951 and 2964 Theft of Catalytic Converters at Trinity University

There were two catalytic converters stolen in the parking lot of Trinity International University. One was from the security vehicle parked near the security building. There is no suspect information available.

22-2698 Residential Burglary on 1850 Meadow Lane

On May 12, 2022, unknown suspect(s) pried open the front door at a home on Meadow Lane. Once inside they ransacked the two bedrooms and stole miscellaneous jewelry. This appears to be the work of the same crew of men from Chile who have hit numerous homes in the suburbs. Suspects have been caught; however none of them can be directly connected to the burglary on Meadow.
22-2013 Retail Theft at Walgreens

On April 10, 2022, an unknown offender covered up their license plate so it could not be seen. The offender then went into Walgreens and picked out a package that had a security lock on it. The offender asked the employee to remove the security device so he could purchase it. When the employee retrieved the security device remover, he forcefully grabbed the remover from her hands and ran out of the store. Employees followed him to the door and were able to get a few pictures of the vehicle. The offender has not been identified.

22-2341 Theft at Mariano’s

On April 24, 2022, two unknown offenders stole a wallet and cellphone from the complainant’s purse who left it unattended while shopping at Mariano’s. The complainant was advised to contact her bank. She refused to call the bank and later reported that her account was drained of all of her savings, which was less than $500.00. A Critical Reach Alert was sent out, but the offenders have not been identified.

22-2352 Burglary to the Bannockburn Shell Gas Station

On April 25, 2022, unknown offender(s) burglarized the Shell Gas Station. The offenders attempted to gain entry through the main front door without success. They then used a landscape brick, smashing the glass in the overhead door and gaining entry to the building. The alarm had not been set. Once inside, the offender(s) stole cartons of cigarettes, cash from the cash register and a safe along with its contents.

22-1237 Possession of Controlled Substance

On March 5, 2022, Sergeant Dennis Sears stopped a vehicle for speeding on Half Day Road. During the course of his investigation, four suspects from Waukegan were arrested and charged with possession of a controlled substance (LSD). They were all transported to the Deerfield Police Department where they were processed and released.
**22-1348 Residential Burglary on Broadley’s Ct.**
On March 10, 2022, officers responded to a burglar alarm on Broadley’s Court. Upon their arrival, they found that unknown offenders had smashed a window on the first level of the master bedroom, entered the room and stole costume jewelry. The area was searched with the help of officers from Lake Forest, Deerfield and Lincolnshire. There are no suspects at this time.

---

**22-1393 Residential Burglary on Lakewood Road.**
On March 13, 2022, Officer Cierniak was dispatched to a home on Lakewood Road to investigate a burglary. The residents were out of town. The friend watching the home discovered that a burglary had occurred. Officer Ogden responded from home and processed the scene. Nothing was reported missing at the time of the report.

---

**22-647 Theft of a Wallet at Panera**
On February 5, 2022, Officer Weshinskey was dispatched to Panera in reference to a wallet theft. The complainant was sitting at a table when she believes she was distracted by one person while the other person reached into her purse and took her wallet. Her credit card was subsequently used for a purchase at Target for $1,000.00. There is no good video of the suspects and no further leads at this time.

---

**22-788 Theft of Motor Vehicle Parts at Trinity University**
On February 11, 2022, Officer Devroy was dispatched to Trinity International University in reference to the theft of a catalytic converter. The theft happened on February 6, 2022 at approximately 4:30 PM. The converter was cut from the complainant’s 2009 Honda CRV.
**22-804 Residential Burglary 1810 Sunset**

On February 12, 2022, Officer Czajka was dispatched to 1810 Sunset Court for a burglar alarm. Upon his arrival, he found the rear glass door had been shattered and unknown person(s) had entered the residence to commit a theft. Nothing of value was taken from the home, but the alarm panel had been forcibly removed from the wall.

---

**22-846 Residential Burglary 2820 Telegraph Rd.**

On February 14, 2022, Officer Weshinskey was dispatched to 2820 Telegraph Road regarding a residential burglary. The complainant had received a call from the alarm company at 1:55 PM reporting the activation of the burglar alarm. The complainant advised the police to disregard the call to the police and she would respond. When she responded, she found that there was a burglary and contacted the police almost an hour later. The offender(s) gained entry by forcibly entering through a rear door. The offender(s) focused on the master bedroom but only stole a jar filled with coins.
Driving Under the Influence
22-6763 DUI-Drugs @ Bannockburn Shell

On October 23, 2022, Officer Ogden was dispatched to the Bannockburn Shell in reference to an intoxicated subject. Officer Ogden located the suspect who told Officer Ogden that he had been involved in a crash near Fort Sheridan. Officer Ogden believed the driver was under the influence of drugs. Further investigation led to the ambulance being called and Officer Ogden collecting numerous drugs and paraphernalia. He submitted the items to the Lab for testing and contacted the State’s Attorney’s office for additional charges.

22-6475 DUI Half Day and Waukegan Rd.

On October 12, 2022, Officer Fuerst observed a vehicle traveling westbound on Half Day Road. He heard a loud noise and noticed a fire hydrant had fallen from the passenger car. He made a traffic stop and the driver stated she had no idea where the fire hydrant had come from. She said when she was in Highwood drinking at Teddy O’Brian’s someone had hit her car. She was subsequently arrested for DUI. She was twice the legal limit and was charged with improper lane usage and other violations. It turned out the hydrant she struck was from Highwood and she dragged it all the way to Bannockburn. Highwood is following up on the crash part of this case. (see the hydrant photo on the previous page)

22-1832 DUI on Half Day Rd.

On April 3, 2022, Sergeant Dennis Sears made his 20th DUI arrest for the year. Sergeant Sears stopped a vehicle for traveling 60MPH in a 40MPH zone on Half Day Road. Further investigation led to the arrest of the driver. The driver was transported to the Deerfield Police Department where he was processed, blew a .169 (over twice the legal limit) and was released.
The cases featured in this report are just a small sample of the almost 50 driving while intoxicated arrests made in 2022. Sergeant Sears made approximately 40 of those 50 DUI arrests. Sergeant Sears was awarded with the Bannockburn Police Department Commendation for his tireless efforts in combatting drunk and intoxicated driving.
VILLAGE OF BANNOCKBURN EVENTS
Bannockburn Day
Arbor Day
Story Day at Midtown Athletic Club
Bannockburn, Lincolnshire and Deerfield Police Departments’ Leg of The Torch Run for the Special Olympics of Illinois.
The Bannockburn Police Department teamed up with the Drug Enforcement Administration and Walgreens to collect unwanted and expired medications to keep them out of the hands of children and our drinking water system. The drugs are eventually taken to be incinerated.
Police Commissioner Boyle and Chief Trillhaase participated in the Annual Touch-A-Truck Harvest Day event in Deerfield. They handed out police rubber ducks, bracelets and stickers.

The Bannockburn D.A.R.E Golf Cart visited the Kildeer Car Show to support the Special Olympics of Illinois.
Sergeant Dennis Sears graduated from the Northwestern University Staff and Command Class.

The Northwestern School of Police Staff & Command (SPSC) is an intensive leadership and management education program that helps prepare experienced law enforcement professionals for success in senior command positions.

Since its inception in 1983, law enforcement agencies throughout the U.S. and around the globe have recognized the important impact a SPSC education makes on their leadership and management teams. Through an innovative combination of academic principles with practical applications, the 10-week SPSC curriculum zeroes in on such critical command-level content as planning and policies, media relations, organizational behavior, budgeting and resource allocation, human resources, contemporary policing and more.
Bristol Range Training

On August 27th and November 11th, officers participated in firearms training at the outdoor range in Bristol, WI. The training included an introduction to the new ballistic shields that were recently purchased and mounted in each of the marked squad cars. Officers practiced shooting from the squad car, tactically removing the AR-15 from the secure rack in the squad car and nighttime shooting.
In cooperation with the Bannockburn School, officers trained for the possibility of an active shooter. The course included the following topics:

- Team Movement Techniques and Tactics
- Pistol and Rifle Deployment
- Room Clearing and Building Security
- Contact and Rescue Team Techniques
- Use of Force and Safety Priorities
- Identifying, Locating and Eliminating the Threat
5th Grade DARE Program

Chief Trillhaase assisted Officer Ogden with his final D.A.R.E. graduation. Mrs. Wilson and “Officer Bob” retired this year. Officer Bob taught them the curriculum of the Drug Abuse Resistance Education model and shared information and knowledge about why it is important to refrain from illegal drugs, tobacco and alcohol consumption.
Lunch with a Cop

In 2022, the Bannockburn Police Department continued the program created in partnership with the Bannockburn School called “Lunch with a Cop.” Each month, several officers from the Bannockburn Police Department go to the school for lunch and spend time with the students.
Safety Day at Trinity International University
Did you know that the Village of Bannockburn Police Department, located at 2275 Telegraph Road, Bannockburn, IL 60015, and Save A Star Drug Awareness Foundation have established a drug disposal and collection program? The purpose of this program is to collect and safely dispose of unwanted and unused medications; thus, keeping them out of the hands of individuals who might otherwise become victims of prescription drug abuse.

The Save A Star Drug Awareness Foundation was founded in Highland Park, Illinois by David and Gail Katz and their daughter, Melissa Katz Gold, following the death of David and Gail’s 25-year-old son and Melissa’s brother, Daniel, from an overdose of prescription drug medication in June 2007. The Save a Star Drug Awareness Foundation was created to educate the public about the dangers and consequences of prescription drug abuse and addiction, and to provide tangible methods to remove unwanted and unused medications from America’s homes.

The Village of Bannockburn teamed up with the US Marines to Collect Toys for Tots.
Community – The Anti-Drug (CTAD)

Community – The Anti-Drug (CTAD) is a community organization comprised of parents, local government, school officials, clergy and healthcare providers. The mission of this coalition is to reduce the use of alcohol, marijuana and other drugs among youth in Bannockburn, Deerfield, Highland Park, Highwood and Riverwoods.

The Bannockburn Police Department provided several Bannockburn restaurants with flyers from CTAD to include in their take-out meals. These flyers had activities for families to do together while staying at home and enjoying their meals.

Police Commissioner James Boyle and Chief Trillhaase are active with this organization.
TRAFFIC CRASHES
These are just a few pictures to show what kind of traffic investigations officers deal with on a day to day basis.
Forensic Phlebotomy
Sergeant Sears applied for and received grant money for the costs related to the Forensic Phlebotomy Program. Sergeant Sears is licensed to collect blood samples from suspected intoxicated drivers upon their consent.

Panek Donation
The Panek Family is gracious enough to make a very generous donation to the Police Department. Funds are used for special equipment, training or other items to further the mission of the Police Department.

Pinestone Lawn and Snow Donation
Pinestone Lawn and Snow graciously donated $700.00 to the Police Department for training and equipment.

IDOT Traffic Safety Grant
Lieutenant Volling continues to work with The Illinois Department of Transportation (IDOT). Traffic Safety Grant money is received to reimburse officer overtime costs related to traffic enforcement. During different times of the year the focus is on certain violations like speed enforcement, distracted driving and occupant restraints (seatbelts).

IPRF Grant
Every year the Police Department receives grant money from the Illinois Public Risk Fund (IPRF). This money is used to purchase equipment, mainly related to the TASER program.
Digital Speed Display Board

The Police Department has two of these portable speed display boards. They are deployed throughout the Village reminding drivers to watch their speed and mind the speed limit. In 2022, the speed display boards were utilized 25 times to encourage responsible driving especially near Bannockburn School.
INTERGOVERNMENTAL MUTUAL AID AND MEMBERSHIPS
Emergency Management Coordinating Council of Lake County

Lake County’s Emergency Management Agency (EMA) is responsible for coordinating plans, people and resources to protect Lake County communities. They encourage collaboration before disasters, find and coordinate resources during disasters and help communities recover after disasters. Chief Trillhaase and Police Commissioner Boyle attend monthly meetings to collaborate with other organizations in preparation for potential emergencies.
Chief Trillhaase is sworn in as Treasurer of the Lake County Chiefs of Police Association.
The Deerfield Consolidated Dispatch Center

The Deerfield Consolidated Dispatch Center is located in the Deerfield Police Department and its members include the Deerfield, Bannockburn, Riverwoods and Lincolnshire Police Departments. All of the listed agencies share the same radio frequency and assist each other when needed for emergencies or calls for service. It is an excellent team of agencies working together to serve their communities.
Multi-Jurisdictional Task Forces

Both large and small police departments pull resources and manpower together in an effort to provide their citizens with the best service possible. This cooperation allows for help, when needed, that would otherwise not be affordable by a single agency. The Bannockburn Police Department belongs to, and participates in, the following task forces:

Major Crash Assistance Team (MCAT)

MCAT was established by an Inter-Governmental Agreement in July, 2004. The Agreement reads in part: “In recognition of the fact that the efficient investigation of serious traffic crashes is enhanced when agencies have access to the resources and support of other agencies. Further, it is recognized that a primary goal in the investigation of serious traffic crashes is to establish an accurate record of the factors and conditions leading up to the traffic crash.” There are 29 contributing agencies and 6 non-contributing agencies involved in MCAT. In 2022 Officer Dale Weshinskey completed the required 80 hours of classroom training to become the Department’s Representative on MCAT.
Lake County Major Crime Task Force (LCMCTF)

The Lake County Major Crime Task Force was established on January 15, 1992 in response to a mutual need for vast investigative resources and expertise from all Lake County law enforcement agencies to investigate Lake County’s most serious, often high-profile crimes and incidents such as First Degree Murders, non-parental kidnappings, officer-involved shootings, in-custody deaths and other heinous crimes where additional resources, specialized training, and expertise may be needed.

The task force is currently made up of three permanent members (Illinois State Police, Lake County Sheriff’s Office and Lake County State’s Attorney’s Office) and 34 other member agencies who contribute human and/or financial resources.

The Lake County Major Crime Task Force is the oldest unit of its kind in the State of Illinois and operates in the third-most-populated county in the state. In its first 31 years of operation, the task force has participated in over 360 major investigations.

During the calendar year of 2022, Officer Robert Ogden worked as an Evidence Technician with the Lake County Major Crime Task Force. The Task Force responded to 17 homicides, 4 in-custody deaths and 1 Officer-Involved Shooting.
Northern Illinois Police Alarm System (NIPAS)

NIPAS was established by an Inter-Governmental Service Agreement in 1983. The specific intent of this agreement is to permit the police departments of each community to more fully safeguard the lives, persons and property of all citizens. The NIPAS Car Plan and Emergency Services Team (EST) is the largest multiagency SWAT Team in the Country. The team consists of more than 100 police officers that can handle any tactical situation or high-risk incident. Officer Jeff Devroy is a trained NIPAS Negotiator assisting in hostage and barricaded subject calls.
Illinois Law Enforcement Alarm System (ILEAS)

ILEAS was established by an Inter-Governmental Agreement in January of 2003. ILEAS is a product of the Illinois Terrorism Task Force of the Illinois Association of Chiefs of Police and is intended to provide a mutual aid system for all law enforcement agencies operating within Illinois. ILEAS is designed to provide law enforcement assistance to communities during any emergency condition and is not limited to acts of terrorism. ILEAS was modeled after NIPAS, except that ILEAS applies to all Illinois Law Enforcement Agencies (county, state, federal, university and railroad). NIPAS is limited to local municipal law enforcement agencies.
Chief Trillhaase, Lieutenant Volling, Officer Czajka (Mobile Field Force Officer) and Officer Devroy (Negotiator), attended the annual Northern Illinois Police Alarm (NIPAS) annual awards luncheon.
Mobile Field Force

The Mobile Field Force is designed to provide rapid, organized and disciplined response to civil disorder, crowd control or other situations. Mobile Field Forces are formally structured teams based on a platoon of law enforcement officers from multiple agencies with an assigned leader. Tactics used are based on small squad tactics developed by the Office of Domestic Preparedness, as well as, the more traditional Mobile Field Force and general police patrol tactics.

Officer Frank Czajka has been an active member of the Mobile Field Force since 2019.

The NIPAS Mobile Field Force provides its member agencies with a planned, organized and rapid response to:

- Control unruly crowds (either hostile or passive);
- Seal off problem areas, regardless of size;
- Rescue citizens or officers from crowds;
- Clear an area of hostile individuals by use of proactive tactics; and
- Apprehend multiple offenders, if required.
Northwestern Illinois Regional Crime Laboratory (NIRCL)

Membership with the NIRCL was established in May of 1987 by an Inter-Governmental Agreement. The agreement was updated in 2007 and the crime lab moved from Highland Park to Vernon Hills. The crime lab performs numerous services for the Bannockburn Police Department:

- Process fingerprints
- DNA analysis
- Process DUI kits
- Chemistry tests to establish drug identification
- Destroy firearms and drugs
- Handwriting analysis and comparison
- Assist at crime scenes
2022 Candid Camera

[Images of various candid moments from 2022]
Understanding the “Crime Index”

The Crime Index is used to indicate the amount and extent of Violent Crimes and Property Crimes, in a given jurisdiction, as defined by the International Association of Chiefs of Police Committee on Uniform Crime Reports (UCR). Police departments throughout the United States report on eight crime areas: four categories of Violent Crimes and four categories of Property Crimes.

### Violent Crimes
- Murder
- Criminal Sexual Assault
- Robbery
- Aggravated Assault/Battery

### Property Crimes
- Burglary
- Theft
- Vehicle Theft
- Arson

The Crime Index is the total number of indexed offenses occurring within a given jurisdiction during a specified period of time. In 2022, Bannockburn had a crime index of 36.

2022 Calls for Service and Activity

Four Year Comparison

Calls for service and initiated activity includes activity generated by crime complaints, requests for service, officer initiated activity, traffic accidents, alarms and a myriad of other services provided to our residents and the public. A partial list of these calls is provided starting on the next page.

In 2022, the Bannockburn Police Department responded to or initiated 6,350 calls for service. The Bannockburn Police Department will continue to patrol and monitor residential and commercial areas of the Village in our effort to keep our residents and their property safe.

Traffic Accident Locations
For the Year 2022

Half Day Road (IL Route 22) at Waukegan Road (IL Route 43) was the number one location for traffic crashes in 2022.
Enforcement Activity

In 2011, the Department implemented a Compliance ticket as a way to issue a citation for minor violations that would often times be dismissed by a judge in court or, because of the high fine associated with the charge, an officer would not issue a ticket. Compliance tickets cover minor infractions such as tinted driver’s window, seat belts, one headlight, cell phone use, etc.

The officers issue written warnings for minor infractions such as failure to use a turn signal or for other less serious violations. Since our system changed in 2011, the officers are able to use this third option when stopping a vehicle for a traffic violation in the Village of Bannockburn.
Traffic Stop Data Collection

The Bannockburn Police Department expressly prohibits racial profiling and other biased-based policing.

Since 2004, all Law Enforcement Agencies in Illinois are mandated to keep statistical data on every vehicle that is stopped for a traffic violation. The Illinois Department of Transportation is responsible for collecting and compiling the data and results can be found on their website www.dot.il.gov. Regardless of the outcome (verbal warning, written warning or traffic ticket), a “Traffic Stop Data Sheet” is required to be completed. The state mandated program resulted in extra time spent by officers completing a traffic stop and additional time by records personnel to input the data into a special computer program.

An important word to understand when looking at traffic stop data is “benchmark.” A benchmark is terminology used by the Illinois Department of Transportation and Northwestern University to describe the acceptable level of minorities being stopped by a community.

This data is collected and reported annually to and available through the Illinois Department of Transportation.
IN MEMORIAM
Northern Illinois Police K9 Memorial

On Saturday, September 26, 2022, Chief Walter Trillhaase, Police Commissioner James Boyle and Officer Robert Ogden attended the Northern Illinois Police K9 Memorial in Grayslake. This annual event recognizes the passing of police dogs who have served the residents of Illinois. There is a memorial statue with stones that features the names of each K9 that has passed away.
